CHAMPIONS WAY

is a life-giving church
intentionally
connecting
people to God,
so all can experience
a winning life
in Jesus Christ.

"We would like to welcome you to Champions Way. We look forward to getting to know you better and would like to invite you to join us in the quest for a "champions life." It is our conviction that God has made it possible for each of us to experience life at its fullest and highest level. Jesus called it an "abundant life." We call it a winning life. It is the champion's way."

FAQ's

What denomination are you?

We are not connected to any denomination. We honor and bless every church that proclaims Jesus Christ as the Savior of the world. You will find a variety of spiritual heritages here . . . Baptist, Catholic, Assemblies, Presbyterian, and more. Others have never been to a church before coming to Champions Way. All are welcome.

What missions do you support?

Our leadership team decides annually what percentage of our general offering collection is to go to missions support. For 2015 we have decided to give 80% of that mission's percentage to support the launch of City Church in the San Marco area of Jacksonville and 20% to the Association of Related Churches (ARC) for the planting of new churches. It is our desire to start a Missions Team within our first year to help us discover needs and mission opportunities within our area.

Are you a "Spirit-Filled Church?"

We celebrate and honor the work of the entire Trinity: God the Father, God the Son, and God the Holy Spirit. We celebrate and honor all spiritual gifts as we pursue the gifts that build up the church. Some of our members have charismatic giftings. Some do not. We celebrate and honor both. Both can walk

in the fullness of the Holy Spirit. We believe God is the same yesterday, today, and tomorrow. God's miracle working power is alive and active, and the name of Jesus has the authority to take dominion over the natural and the supernatural.

A Little About Champions Way

What is the Champion's Life?

A "Champion in Life" is a person who is developing as a winner in eight areas of life:

1. Relationship with God
2. Relationships with Others
3. Priorities and Ambitions
4. Mental & Emotional Health
5. Living with Purpose
6. Living in Community
7. Work and Finances
8. Serving & Helping Others Win

Eight months of each year are devoted to teaching the practical applications on how to win in each of these eight areas of life. These applications are based on the principles, promises, and commandments found in the Holy Bible.

Champions are those who move past knowledge to application!
